A Short History

Our Post in Hometown, USA was chartered by The American Legion on September 26, 1919, with 43 members. The first meeting was held on Thursday October 2, 1919 at the Old Hometown Hall. The original 1919 charter of our Post is framed and hangs on the wall in our Legion clubhouse, it lists the names of our charter members.

Our Post is over 300 members strong and growing. Our Post is an integral part of the greater Hometown community and a proud advocate for veterans on the local, state, and national level. Our local membership extends throughout the county.

Legion Uniform What is the official uniform of The American Legion? *"A Legionnaire is in uniform if wearing an official American Legion Cap."*

Why wear your Legion Uniform in public?

Legionnaires like us, seen in uniform doing the good work of The American Legion creates a positive image. This helps our community "see" The American Legion as an organization they want to support. It is a very important element of our public relations and marketing efforts.

There is no benefit to Legionnaires being invisible to the public as we do the good work of the Legion, so please expose yourself to the community as proud members of The American Legion, wear your uniform cap.

Legion Language and Protocols

New Legionnaires often find the following information helpful:

- **Meeting Conduct.** Robert’s Rules of Order, Newly Revised, governs the conduct of Post meetings
- **Ceremony Dignity.** The ceremonial services of The American Legion are conducted with the solemnity befitting the dignity of this organization.
- **Gavel.** A chair’s gavel is a symbol of authority & ensures orderly meetings.
 1. One tap is a message to the members to be seated following the opening ceremony, the completion of a business item, or follows the announcement of adjournment.
 2. Two taps of the gavel call the meeting to order.
 3. Three taps of the gavel are the signal for members to stand in unison on the third tap.
 4. A series of sharp taps is used to restore order at a meeting.
- **PUFL** stands for Paid-Up-For-Life membership dues.
- **Silent Tribute.** Legionnaires standing in silent tribute in memory of departed comrades during meetings or ceremonies will face the U.S. Flag with Legion cap or hand held over their heart.
- **Addressing Officers.** In addressing an officer of The American Legion, use the title of the officer and then his/her name.
- **The Hand Clap.** This long held Legion tradition is a slow and rhythmic clapping of hands of standing Legionnaires, much like the slow beat of a drum. The hand clap is used to welcome new members and guests when they are brought forward to be introduced and when leaving the lectern. This demonstrates respect for those being recognized.
- **Transferred to Post Everlasting** - refers to one who has died and transferred to the Post Everlasting.

Volunteers are Super! They are!

Your Volunteer Time Has Value: Volunteer time is now estimated to be worth over \$24 per hour!

Legionnaire volunteer time, is even more valuable.

We are a Legion of super volunteers!

OUR POST FAMILY

Our Post, as the parent organization, has three other important units in our local Legion family. They are:

American Legion Auxiliary (ALA) Unit

Founded in 1919, the American Legion Auxiliary is the oldest member of the Legion Family of units and the most independent. The Auxiliary is a separate organization with their own legal and corporate identity.

Every Spring the Auxiliary promotes the red poppy as a symbol of the sacrifices our military have made, a symbol to open people’s hearts and inspire them to donate to this important fundraising program.

Meeting: First Wednesday @ 5 p.m.

Our Post Subsidiaries

The Sons of the American Legion and American Legion Riders are each a subsidiary of their parent organization, our Post. More detailed information about the relationship of the parent post and subsidiaries can be found in the ‘Subsidiaries’ section of The American Legion, *Name and Emblem, Use and Protection Guide*.

Sons of the American Legion (SAL)

Founded in 1932, Sons of The American Legion (SAL) squadron consists of boys and men of all ages whose grandparents or parents served in the U.S. Armed Forces.

American Legion Riders (ALR)

TRAINING

Effective training is important to the success of our Legion. Quality training improves our ability to succeed by improving member involvement and operational performance. Training also helps teach organizational values and identify future post leaders. Conversely, the lack of effective training can lead to losing our focus on success and can limit our operational performance.

Many who accept leadership roles in The American Legion are often self-motivated by a desire to serve others and seek out training because they want to become stronger, better-informed leaders. Here are a few currently available training vehicles, most Legionnaires find helpful.

Member Orientation Training is held several times each year for members of our Post, new or seasoned, and all members of our Legion family. Orientation covers basic information about our Post and The American Legion. Training dates are posted in the online post calendar.

“**This is The American Legion**” is an excellent short video every member of our Legion Family should watch. This video is available on YouTube, at: (<https://www.youtube.com/watch?v=qfIQaYvsB8c>)

Basic Training is the new official training program of The American Legion for officers and members. To take the course, visit (<https://www.legion.org/alei>)

Publications - The American Legion publications can be an excellent training resource for those who are self-motivated. The Publication page of The American Legion web site is a good place to find most of them. Here are a few key publications many find helpful. (<https://www.legion.org/publications>)

POST GOVERNANCE

Our Post By-Laws state, *“The administration, governance and management of this Post is entrusted to the Executive Committee.”* Good post governance is an essential duty of post leaders and it includes a variety of elements. It is realized in the long-term success of our post.

Executive Committee: The Executive Committee members are: Commander, First Vice Commander, Second Vice Commander, Adjutant, Finance Officer and Executive Committee Members-at-large. The Executive Committee Members-at-large (Elected - The number of Executive Committee Members-at-large, vary from post to post.) are advocates for the general membership, assist post officers in directing post business, and act as post representatives in the absence of post officers.

Vision of Success: “Our Post excels in service to fellow veterans, their families, and our community, while consistently operating as a model of quality post operations.”

Key Goals:

- Sustained membership growth
- Financial solvency and stability
- Excellent leadership development
- Successful programs
- Quality service to veterans, their families and community

Mission Statement: “Our Post exists to support fellow veterans, their families, and our community.”

Constitution & By-Laws - The Constitution & By-Laws are two of the most important documents in our post operation. They define the complete responsibilities of all Post officers and they are available from the post Adjutant

Post Leadership

Post Leadership in The American Legion and our Post is provided by volunteer members, like you. Post leaders are fundamentally responsible for the success of our Post. They serve in many different leadership roles as committee members, chairmen and Post officers. Our Post leaders provide honorable and noteworthy service to our veterans, their families and the communities we serve.

Many believe leadership is not something you are born with and it cannot be awarded or appointed. True leadership for many, is something learned and earned through the hard work of service to others. Legion leaders must have stellar character and transparent integrity.

Good post leaders must give an adequate commitment of time, sufficient personal energy and must communicate effectively, to give our posts strong roots in the communities where we serve our veterans.

Summary Post Leader Duties

Our Post Constitution and By-Laws are the ultimate reference on post leader duties. The following descriptions are intended as a generic overview of what many consider key responsibilities of post leaders.

The post Commander, Finance Officer and Adjutant, are “required” officers in the annual Certification of *Eligibility of American Legion Post Officers*. This is one of the forms our post must submit each year, to maintain our charter.

Post Commander (Elected) "First among equals." is a good way to look at the relationship of the Post Commander to other post members. The Commander ensures the post's vision of success is completed and keeps the post family together in the process. The Post Commander traditionally serves as the President of the Board of Directors for incorporated posts. The Post Commander is also the voice of the post, within the post and at meetings beyond the post. Post Commanders also work with and through other leaders to complete the post business, as they cultivate and guide them for future leadership roles.

Finance Officer (Elected) Much of the Post Finance Officer's work is defined and determined by standard accounting practices and the needs of the post. The Post Finance Officer is the person of integrity that helps develop a post budget and administers the post book of accounts. Finance Officers also advise post leaders on the formulating and administering of financial policies, including the annual Post budget.

Adjutant (Elected) Whether seen as a Post 'First Sergeant' or a Continuity Officer, the Adjutant's role is critical in the long-term success of our post. Adjutants are responsible for keeping official records of our post business, minutes of meetings and many key administrative compliance duties.

First Vice-Commander (Elected) The American Legion "Officer's Guide" states this about the First Vice Commander, "In the majority of posts, a first and second vice commander are elected, with membership the primary concern of the first vice commander." In too many posts, the First Vice Commander serves as a Membership Committee of one. A post, even a small post, should have a true Membership Committee to help with recruitment, transfers from administrative posts, member renewals, member retention and with ensuring the post routinely has personal (by phone or in person) contact, with every member of the post. A Membership Committee of two (or more), is far more effective than the committee of just one.

Second Vice-Commander (Elected) In our Post the Second Vice Commander is the designated liaison to other veteran organizations, coordinates new member orientation and shall oversee Post morale to include entertainment and special programs, and other duties as directed by the Post.

Sgt-at-Arms (Appointed) shall preserve order at all meetings, ensures members are properly greeted at the door, makes new members welcome, and oversees flag etiquette/disposal, and shall perform such other duties as may be assigned to him by the Post. This office is commonly the first of four steps to becoming Post Commander.

Post Operating Committees

Through work on committees, our members provide the hard work needed for our post’s success as they plan, organize, communicate and implement our post programs.

The Post Operating Committees are critical to increasing active membership. Committees within our Post create a forum for members to pursue personal interests. They allow for the strengths and dedication of our members to shine. Post members, like you, serving on committees can grow as productive post members and leaders. Committee work also functions as a very important training ground to develop the leadership skills and knowledge of the Legion, that future Post leaders will need to succeed.

To help advise the Commander and Executive Committee the Post may establish and define the work of Post committees. With the consent of the Commander, each committee chairperson selects at least two other members to serve on each committee and they will serve for an indefinite term at the discretion of the chairperson.

Committee Descriptions

Americanism Committee(s) - seeks to inspire love of country and good citizenship through patriotic observances, flag etiquette, civic instruction in schools, community service, and youth activities such as Boys State, Boy Scouts, Oratorical Contest and School Award Medals.

Executive Committee - the administration, governance and management of our Post is entrusted to the Executive Committee. The number of Executive Committee Members-at-large, vary from post to post. They are often seen as advocates for the general membership, assist post officers in directing post business, and act as post representatives in the absence of post officers.

Facilities Committee - handles the operation and maintenance of our Post facility.

Finance and Ways & Means Committees -

work together to supervise the financial duties of the Post, prepare the annual budget and advise the Executive Committee on financial matters. They also develop fund-raising projects. Once approved they are responsible for the project’s completion and success.

Our Annual Pancake Breakfast is our **PRIMARY FUND-RAISER**. Our Legion Family and friends of our Post, give their financial support to this important fundraising event in support of all The American Legion programs we conduct annually.

Membership Committee - has charge of all matters pertaining to membership eligibility, growth, acceptance, retention, and renewals. Guidance is provided by the First Vice Commander.

The American Legion membership year, is a traditional calendar year. If dues are not paid by January 1 of each calendar year, the member becomes delinquent. February 1, the member is suspended, June 30, the member is dropped from the membership rolls.

Public Relations (PR) Committee – promotes Post programs and social activities to members and local community. Also, responsible for post newsletter, fliers and all Post online communication tools

Veterans Affairs & Rehabilitation (VA&R) Committee -

is responsible for bringing to the attention of members and their dependents the rights and benefits granted them by law. They shall assist veterans in the pursuance of claims and in obtaining other veteran’s rights and benefits; to visit comrades who are sick or disabled; to visit and comfort members of their families when sick or bereaved.

No Partisan Politics: The American Legion is a (501 C19) non-profit corporation and is absolutely non-partisan. Policies, Not Partisan Politics is our guiding principle.

THE PREAMBLE:

Although the Preamble of The American Legion Constitution is printed on the back of our membership cards, having it available in larger text, is helpful to many Legionnaires.

For God and Country, we associate ourselves together for the following purposes:

To uphold and defend the Constitution of the United States of America;

To maintain law and order;

To foster and perpetuate a one hundred percent Americanism;

To preserve the memories and incidents of our associations in the Great Wars;

To inculcate a sense of individual obligation to the community, state and nation;

To combat the autocracy of both the classes and the masses;

To make right the master of might;

To promote peace and goodwill on earth;

To safeguard and transmit to posterity the principles of justice, freedom and democracy;

To consecrate and sanctify our comradeship by our devotion to mutual helpfulness.
